SAMILLANO: Good morning everyone! I am Stephanie Samillano, together with my groupmates. We are here to present our study the LYDO Scholarship Management System.

SAMILLANO: This study aims to improve the process of the scholarship applications under the LYDO. This system is designed to make the process more organized about the scholar records, and easier for both applicants and the LYDO staff.

SAMILLANO: It also provide access for the different users such as LYDO staff, mayor’s staff, and admin so they can review, approve, and send updates or notifications to students. Through this system, the process becomes easy, reduce workload and help students to get updates about their scholar status.

ARIAS: So the first process in our system is to apply scholar

ARIAS: So here po may form po na records at sa mga requirements po

SIR ROA: So while Mark is doing the registration..

SIR ROA: Yung logo nyo ba..

SIR ROA: “Sino ba gumawa?”

SIR ROA: “Kayo gumawa guys?”

TEAM: sa LYDO talaga sir.

SIR ROA: “Same goes para sa kabataan...para sa kinabukasan sa kanila din yan?”

SIR ROA: “Or kayo yung gumawa nyan?”

SAMILLANO: from LYDO office sir

SIR ROA: Im just ano lang...

SIR ROA: Clarify lang namo lang guys kay basin btw nagboot boot mog butang dana diman diay mao diay.

SIR ROA: “Is the school name searchable guys?”

SIR ROA: “Ma search bana?”

CAGATAN:No sir

SIR GAB: Select box raman lage...ayy combo box.

SIR ROA: Use a different combo box type mark.

SIR ROA: Yung may ano btw search btw pag e drop down ko btw may search bar sya.

SIR GAB: Select 2

SIR ROA: Unsa gani to sir?

SIR GAB: Select 2

SIR ROA: Ohh select 2

SIR GAB: Select nay 2

SIR ROA: Any ano nalang

SIR ROA: Go to the desktop guys the documents

45 **SIR ROA:** Marami naman tayong pdf ohh...

46 **ARIAS:** So after po pag apply nang scholar yung first po na mag checheck nang application is

47 yung mayor staff po.

48 **SIR NIKKO:** "That is for the approval of the application?"

49 **ARIAS:** Yes sir for the initial..

50 **SIR NIKKO:** Initial lang

51 **SIR ROA:** Look at the birthdate format front end.

52 **SIR ROA:** "Anong mali dyan?"

53 **CAGATAN:** No sir dapat ..

54 **SIR ROA:** Pls take note

55 **SIR NIKKO:** "Baluarte dba yon?"

56 **SIR ROA:** "Anong nangyari?"

57 **SIR NIKO:** "Hala dli sya ano ba?"

58 **SIR NIKKO:** I refresh pa.

59 **SIR ROA:** "Ajax na sya sir ba?"

60 **SIR ROA:** Ahh kuan ni sya..

61 **SIR ROA:** "Ngano tu sir nikko?"

62 **SIR NIKKO:** Mao gani

63 **SIR ROA:** "Naunsa tu guyss?"

64 **SIR NIKKO:** "What happen?"

65 **SIR ROA:** Ulitin mo nga ano jimenez yung review applications...click mo nga yung review

66 applications tapos type mo yung mark.

67 **SIR NIKKO:** "Bat wala?"

68 **SIR ROA:** Ayy need pa sya e enter..

69 **SIR ROA:** If I am the client or yung personel.

70 **SIR ROA:** "Alam ko ba kung ano ang gagawin ko? Dba?"

71 **SIR ROA:** So usually kasi guyss if hindi btw sya explicitly stated mahihirapan si client.

72 **SIR ROA:** So we need to..

73 **SIR ROA:** If you can provide that yung automatic btw...maybe you can provide an instructions

74 na after typing the name.

75 **SIR ROA:** "Dapat automatic na gyud dapat na sir ba?"

76 **SIR ROA:** Wrong na sya

77 **SIR ROA:** It should be automatic dynamic.

78 **SIR ROA:** You can use ajax for that one.

79 **SIR GAB :** Or data table

80 **SIR ROA:** Data table as well

81 **SIR ROA:** Pwede pud gyapon.

82 **SIR ROA:** Okay? Sge go.

83 **ARIAS:** So dito po kailangan po I open lahat bago ka po maka pag reject or approved.

84 **SIR ROA:** Okay sge daw beh

85 **SIR ROA:** Yun yung review process kumbaga

86 **ARIAS:** Yes sir

87 **SIR ROA:** Okay

88 **SIR GAB:** Click daw...any document

89 **SIR ROA:** Same lang sir kay same lang ge upload nila

90 **SIR ROA:** So if I rereject nyo

91 **SIR ROA:** I reject daw ninyo guys .

92 **THE RESEARCH ERS:** Reason...

93 **SIR ROA:** For example..duplicate or same documents

94 **SIR GAB:** If youre going to make view don sa preview yung mga documents na sinubmit btw

95 you need to open and then new tab.

96 **SIR GAB:** I would like to suggest that there will be a (carsel) nalang if possible pero okay

97 raman sir nep because the tendency for that example pag open nyo nang new tab...then new tab

98 new tab new tab marami talaga.

99 **SIR ROA:** Ahh yeah

100 **SIR GAB:** But in the UI designing its better to have one preview since preview lang yun in the

101 social app lang

102 **SIR ROA:** “Like pag I click nila?”

103 **SIR GAB:** Theres a modal or something

104 **SIR GAB:** Pero okay raman tung in adtu.

105 **SIR ROA:** “So guys papano yung sa na reject btw for example dba duplicate man?”

106 **SIR ROA:** “If I will be rejected anong mangyayari sakin?”

107 **ARIAS:** Ano sir mag sesendan po sya nang email

108 **SIR ROA:** “Na sendan ba sya?”

109 **SIR ROA:** Check nga natin.

110 **SIR ROA:** “So for example I will compy for that one ano ang gagawin ko?”

111 **SIR ROA:** Dbani reject nyo ako kasi duplicate.

112 **SIR ROA:** “If I will comply for that one anong gagawin ko?”

113 **SIR ROA:** With your system btw...

114 **SIR ROA:** So if I will register on your system then tapos I will be rejected

115 **SIR ROA:** “Can I still log in to your system?”

116 **SIR ROA:** “Hindi?”

117 **ARIAS:** Wala pa syang account man sir

118 **SIR ROA:** Wala pa syang account.

119 **THE RESEARCH ERS:** Yes sir

120 **SIR ROA:** Pero yun nga lang dba yun yung nga sinasabi namin.

121 **SIR ROA:** Ahh... it will be a repeated process ehh yung gagawin ko lang naman is ahh...follow

122 up submission lang nang documentation.

123 **SIR ROA:** So I don’t know how will you do that one.

124 **SIR ROA:** “Papano man yan sir?”

125 **SIR ROA:** “Bigyan nang temporary account para alam na nila?”

126 **SIR GAB:** Yan kasi problema sa kind of the registration maraming duplication like for example

127 if youre going to go back the registration

128 **SIR GAB:** Upon the registration I can submit multiple application.

129 **SIR GAB:** “Pano pag hindi or paano malalaman nyong talagang yun yung application...yun

130 yung first na ina aplayan ko?”

131 **SIR ROA:** So maging redundant sya dba...

132 **CAGATAN:** Possible sir..

133 **CAGATAN:** We have ano po sir kanang email then for example sir we have duplicate COR

134 then...

135 **SIR GAB:** So I need it to verify manually pa.

136 **SIR GAB:** What if there is 10,000 applicants.

137 **SIR ROA:** “Na gets nyo ba yung points namin dito guys?”

138 **SIR ROA:** Dbapag...

139 **SIR ROA:** For example si arias nag register sya...

140 **SIR ROA:** Ang kulang lang niya is COR ang gagawin lang ni arias is mag reregister sya again

141 tapos ang gagawin ni arias I submit nya lang yung COR dba...

142 **SIR ROA:** So ang ending guys dadami yung sa file ninyo btw

143 **SIR ROA:** “Na gets nyo? So maybe you create a temporary account nalang sir no? Or an

144 account btw”.

145 **SIR GAB:** Upon registration there will be na e approve pa ninyo ang registration una..

146 **SIR GAB:** Upon approving the registration same name registration will not be accomodated na .

147 **SIR GAB:** Ganon usually yung ginagawa nang mga registration form

148 **SIR ROA:** Account nalang sir..tapos lagyan nalang nyo disclaimer btw na “it doesn’t mean na

149 naka create kana nang account approve kana”. **SIR ROA:** Ganyan nalang

150 **SIR ROA:** Para alam nila kung ano ang mali dito.

151 **SIR ROA:** Ahh ito papala yung problema kanina na nakita ko guys dba you reviewed your the

152 documents yung COR , yung student id.

153 **SIR ROA:** “Nagbigay ba kayo nang remarks?”

154 **SIR GAB:** “Every fields?”

155 **SIR ROA:** Pag review gali ug isa gali

156 **SIR ROA:** So did you also dba..you just viewed it but you did not provide feedback if it is okay

157 or not dba so hindi alam ni client na okay na pala ito....that’s also you need as well.

158 **SIR ROA:** For example kung naka apply na sya

159 **SIR ROA:** Ano ang gagawin ni client kumbaga.

160 **ARIAS:** If approved sya sir yung application nya po is ma foward doon sa lydo staff naman.

161 **SIR ROA:** “May approve na kayo na scholar?”

162 **ARIAS:** Yes sir

163 **SIR ROA:** “Bakit mag screening pa kayo guys dba approved naman kaha tu?”

164 **ARIAS:** For remarks ni sya sir...remarks after interview sir

165 **SIR ROA:** Jose can you please go back again to the approval btw of scholar if na approved ba

166 yung application ko if will I be notified kung ano yung next step o hindi.

167 **SAMILLANO:** Yung pag send po sa gmail after that po sir may naka indicate po yun na just

168 wait for the announcement .

169 **SIR ROA:** Ohh yun na nga just wait the announcement pero nag screening na kayo.

170 **SIR ROA:** We are trying to mimic the business process of the office.

171 **SIR ROA:** “Kay lets just schedule for the screening dba?”

172 **SIR ROA:** Anong schedule nya.

173 **SIR ROA:** “May mobile app ba ito?”

174 **ARIAS:** Meron sir pero hindi pa sya na iintegrate.

175 **SIR ROA:** Yung remarks, nasan yung may remarks

176 **SIR NIKKO:** Ahh gagawa pa nang announcement pa.

177 **SIR ROA:** “Ayy talaga?”

178 **SIR NIKKO:** Sayang tu katung process nga naay email

179 **SIR ROA:** Don sa email nyo ilagay guyss dba

180 **SIR NIKKO:** “Ohh since meron kayong remark for yung hindi pa na approve because of the

181 lacking documents so kung approved dapat meron din naka indicate na your next process is for

182 the screening dba?”

183 **SIR ROA:** “Isa isahon lugar na markkung isa kalibo lugar akoang applicants lugar isa isahon

184 nako pag announced lugar?”

185 **SIR ROA:** Sge nga don na tayo sa screening daw like na screen nyo na sya.

186 **SIR ROA:** “Yan talaga yung ultra poor? Poor? Non poor?”

187 **SIR ROA:** Ano yung basis for ultra poor?

188 **ARIAS:** Sa ano sir depende po sa interview

189 **SIR ROA:** “You need to ask them guys alam nyo kung bakit?” Its because the personal will use

190 the system they need to be reminded kung ano ang ibig sabihin nang poor, ultra poor, at non poor

191 kay basin btw masayop sila ba

192 **SIR ROA:** Kay pag in ani btw for example we will ask you hindi nyo alam anong ibig sabihin

193 nang poor eh ang ibig sabihin pala is may bracket pala for the salary or whats the income of the

194 family so you need to indicate there as well para ma remind

195 **SIR ROA:** Sge gagawin mo nga na non poor, walang justification kasi...

196 **SIR ROA:** Pag non poor ano ang ibig sabihin?

197 **ARIAS:** Hindi po sya qualified para...automatic na sya malaglag sir

198 **SIR ROA:** “Will they be notified?”

199 **SIR ROA:** See dba lahat nang process na ginagawa nang system guys if involved na yung

200 scholar gali they need to be informed para alam nila

201 **SIR ROA:** “So for example lugar guys pag non poor lugar right then and there alam ko na

202 nalaglag ako?”

203 **SIR ROA:** I think guyss hindi dapat ganyan you need to ask them gyud kung papaano nila ina

204 announced dba...

205 **SIR NIKKO:** “Yung requirements ba na inapload nang applicant meron bang naka indicate don

206 ba proof of income?”

207 **SIR NIKKO:** So it is already verbal lang talaga.

208 **SIR NIKKO:** So pwede I fake nang applicant yung proof of income sabihin na...

209 **SAMILLANO:** Hindi po sir...kasi meron po silang... si lydo staff they will ask for intake sheet

210 sa personal gyud sailahang background sir.

211 **SIR ROA:** "Saan yan jan na part guys?"

212 **SIR ROA:** "Wala lage dana lage?"

213 **SIR ROA:** "Saan yan?"

214 **SIR NIKKO:** "Saan makikita?"

215 **SIR ROA:** "Saan yung intake sheet man?"

216 **SIR ROA:** "Yun nga dba saan yun?"

217 **SIR ROA:** So you need get that one as well para you can incorporate that one in the system

218 **SIR ROA:** Remember your goal is LYDO na office baya na gihapon

219 **SIR ROA:** The services na they provide.

220 **SIR NIKKO:** They change the remarks baya

221 **SIR NIKKO:** "Then how would they support the remarks provided para masabi natin non poor

222 sya?"

223 **SIR NIKKO:** "So ano yung attachment meron bang proof na di sya qualified because of the

224 income family indicated or yung proof?"

225 **SIR NIKKO:** "Ano yung sabi mo kanina?"

226 **SAMILLANO:** Yung sa intake sheet sir.

227 **SIR ROA:** "Hmhm nasan yun?"

228 **SIR NIKKO:** "Dapat attached sguro dyan sir nep no?"

229 **SIR ROA:** Dapat yan yung gagamitin.

230 **SIR ROA:** Yung intake sheet is just like a personal data sheet.

231 **ARIAS:** Dyan po magbabase sir

232 **SIR ROA:** Ang nangyayari guys dapat dito sa screening of the applicants hindi lang sya just

233 changing the remarks..its really viewing the profile.

234 **SIR ROA:** For example if I will take lugar si liang... tan awa gani dba ano yung sinabi

235 sainyo...pag naglalagay na nang mga names wag na yung ganyang names...

236 **SIR ROA:** For example si Anderson Cagatan yan if I will evaluate that one hindi lang po pwede

237 na guyss na I will just change the remarks I need to really click the persons profile and then don

238 ako maglalagay nang remarks.

239 **SIR ROA:** "And then don ako maglalagay kung pasado ba sya o hindi or dba?"

240 **SIR ROA:** Hindi pwedeng ganyan lang.

241 **SIR ROA:** Okay simple lang kay sa tanan it should be really click like magbigay lang kayo

242 nang modal or new tab btw that will facilitate the process of the interview.

243 **SIR ROA:** Kasi the interview man is verifying man...base on my interview gyud some lydo

244 scholars they will be really be verified.

245 **SIR ROA:** I don't know if you have further this one but they will be verified if "taga didto ba

246 gyud sila?"

247 **SIR ROA:** "Pila ka mga kagawad imong nailhan didtoa?"

248 **SIR ROA:** "Am I right?"

249 **SIR ROA:** Dba they really ask you that one and they cannot do that one unless you provide with

250 the data gyud.

251 **SIR ROA:** "Kinsa imong mama?" kay this is a municipal level baya scholarship so they really

252 need to do a furom interview... hindi lang basta changing nang remarks lang guys.

253 **JIMENEZ:** If ever sir e click namin tung applicants is may lalabas na...

254 **SIR ROA:** Modal

255 **ARIAS:** Tapos while interviewing sir ma a....

256 **SIR ROA:** Ma view raman niya man ata...view lang the profile and then yung remarks wag

257 dyan ilagay...don talaga sa modal okay.

258 **JIMENEZ:** Para after nung interview is ma aano lang kung ano yung remarks nila.

259 **SIR ROA:** Yes, tapos pag tapos yung interview dapat mawawala na sya dyan.

260 **ARIAS:** Okay sir

261 **SIR ROA:** Ano paba kaya nyung gawin guys sge na e ano nyo nga yan e accept nyo nga si
262 Anderson Cagatan.

263 **SIR ROA:** “Oh tapos anong gagawin na?” Na approved naman sya.

264 **ARIAS:** Ano sir babalik na namn po tayo sa mayor staff sir para may last stage po kasi nang
265 verifying.

266 **SIR ROA:** “Mayor staff?” So may account sa....sge nga.

267 **SIR NIKKO:** Ohh kanina si mayor staff din yung nag check nang mga documents so balik tayo
268 ulit kay mayor staff.

269 **SIR ROA:** “Update status ang term talaga guys?”

270 **SIR ROA:** “Or it should be review screened dba?”

271 **SIR ROA:** Applicants kasi from screening man sya man...ano gyud sya sir kay...kanang ge
272 butangan nilag remarks lang dayun sir...bawal yun..

273 **SIR ROA:** “Nasan yung si Anderson Cagatan guyss?” E enter pamani gyapon.

274 **SIR ROA:** “Sge guyss so anong ginagawa dyan sa last ano?”

275 **ARIAS:** Mag seset po sya nang status.

276 **SIR GAB:** Ha? HAHA

277 **SIR NIKKO:** Oo ano yung I confirm?

278 **SIR ROA:** Confirm pa.

279 **SIR ROA:** So dapat guys same ra dyapon dadtu btwng sa screening gihapon...lahat na gikan sa
280 documents lahat na makita gihapon.

281 **SIR GAB:** One single page nalang lahat.

282 **JIMENEZ:** Kumbaga si mayor staff yung may power na mag approve nang applications

283 **SIR ROA:** “I think you can provide btw another column for view profile gyud dani gyud kay
284 wala naman syay buhaton man dba kay dadtu sa isa kay is mag tag paman sila dadtu dba?”

285 **SIR ROA:** Dani is mag approve naman lang sya gyud dayun.... so you really can provide that
286 column for viewing of the profile para ano ni mayor staff tsaka pa lang nya ma chachange yung
287 status if na click na yung view profile.

288 **SIR NIKKO:** “Why is it red?”

289 **SIR NIKKO:** “Yung remarks ninyo have red poor...how did you choose the color?”

290 **SIR NIKKO:** Oo kay very affects the ano baya with your interfacing...

291 **SIR NIKKO:** “Why yellow for ultra poor?”

292 **SIR NIKKO:** While anyway can you ano nalang ahh...

293 **SIR NIKKO:** Make sure na hindi sya affected sa mga color implementation sa ano ninyo ha sa
294 design

295 **SIR NIKKO:** Dbu us we you know red danger, stop or ano ba yan no....or maybe in your ****
296 is really wanted to highlight na kapag poor red ganon pero remarks kasi sya na mga gebutngan
297 nga murag critical btw

298 **SIR NIKKO:** Well anyway you ano nalang for that..

299 **SIR NIKKO:** And I agree with sir nep na based sa inyohang viewing of the profile since very
300 crucial yung pag approve dba we cannot just simply believe in the statements of the applicants so
301 we need to also have the proof of the profile.

302 **SIR NIKKO:** “So dba mga scholar din kayo?”

303 **SIR NIKKO:** “So ano ba yung hinahanap during the application?”

304 **ARIAS:** Ano lang sir.. yung samin is interview lang talaga sir.

305 **SIR NIKKO:** Interview

306 **SIR NIKKO:** But they have also somehow yung intake sheet.

307 **ARIAS:** Ahh yes sir

308 **SIR NIKKO:** Then nan don yung...

309 **SIR NIKKO:** “Ahh ano yung nakalagay don sa intake sheet?”

310 **RABINO:** Proof of income..

311 **ARIAS:** If 4ps..

312 **RABINO:** If 4ps sir..

313 **SIR ROA:** Ayy wait sa.

314 **SIR ROA:** “Si intake sheet is a different sya nga form?”

315 **ARIAS:** Yes sir
316 **SIR ROA:** “Sino yung nag ano guyss fifill out kayo?”
317 **ARIAS:** No sir
318 **SIR NIKKO:** “Okay who will tag you as out of school youth , solo parent, sinong yung
319 maglalagay nang ano nito?”
320 **SIR ROA:** “Ipakita ni sainyo nga form guyss?”
321 **SIR NIKKO:** Oo part sa profile ayy sa ano nya yung sa confirmation ba.
322 **SAMILLANO:** Sa first sir is si applicant then sa ano sa interview merong iba na si staff yung
323 maglalagay.
324 **SIR NIKKO:** “Pero galing ito kay applicant?”
325 **SAMILLANO:** No sir
326 **SIR NIKKO:** So may factor to talaga...
327 **SIR ROA:** That will be the evidence kung bakit yan yung tagging..
328 **SIR NIKKO:** Oo...para don sa remark nung bago mag proceed sa mayor staff dba..
329 **SIR ROA:** Dba pag approve nila
330 **SIR ROA:** Ahh okay approve nako ni kay in ani ni sya
331 **SIR NIKKO:** Eto yung hinahanap namin kasi yung na sa lydo nyo remarks lang na non poor,
332 poor ,ultra poor so ito yung hinahanap namin kung bakit ma tag sya na poor, Ultra-Poor,non poor
333 ito yung evidence so needed sya don sa screening na part.
334 **SIR ROA:** “Nag conduct ba kayo nang interview kung pano yan ginagawa yan guyss?”
335 **SIR ROA:** You need to ask them guyss..
336 **SIR NIKKO:** “Kasi ito din yung basis for assistance provided so meaning potentially yung isang
337 applicant can have multiple assistance or hindi lang?”
338 **SIR NIKKO:** “Isa lang talaga” pero it will give him or her a higher chance or qualifying the
339 scholarship once ano sya dito sa code.
340 **SIR ROA:** Kumbaga btw guyss sa mayor btw na part kay dba si scholar nagbigay nang basic
341 info..
342 **SIR ROA:** Si screening additional information so pag dating kay mayor staff profile nalang
343 talaga nang bata.
344 **SIR ROA:** “How about yung sa process of disbursement?”
345 **SIR ROA:** Sge nga mag disburse nga kayo nang pera...
346 **SIR ROA:** Lagyan nyo nalang nang check box sa gilid btw...
347 **SIR GAB:** Uniform ba lahat?
348 **THE RESEARCH ERS:** Year sir
349 **SIR NIKKO:** Same lang talaga yung amount nila.
350 **SIR GAB:** “Why 2500?”
351 **SIR GAB:** “Where the basis of 2500?”
352 **SIR ROA:** “5k a month?”
353 **THE RESEARCHERS:** 2,500 every sem
354 **SIR ROA:** Ahh 500 a month kumbaga 10 months man
355 **SIR GAB:** “Because if your going to monitor na disburse yung 2,500 magkano nalang yung
356 kulang?”
357 **SIR ROA:** “Every month ba sya maghatag? Or every sem?”
358 **THE RESEARCH ERS:** Every sem
359 **SIR ROA:** “So bakit ako mag iinput nang 2500 dyan guyss?”
360 **SIR NIKKO:** Ohh default naman.
361 **SIR GAB:** Ang problema pa dyan is every year 5,000 then every sem 2,500 okay I will disburse
362 2,500 from diselected yung si Mark Cagatan the rest they are given 2,500 so ang natitira nalang
363 kay mark cagatan 5,000.
364 **SIR GAB:** “Paano man ma monitor?”
365 **SIR GAB:** “The monitoring of the disbursement?”
366 **SIR GAB:** Supposedly 2,500 lang
367 **SIR ROA:** “Na gets nyo na guys?”
368 **SIR GAB:** Theres a big problem

369 **SIR ROA:** I think mali kayo guys inano nyo kasi yung si scholar dapat you set muna first kung
370 ano yung school year semester tapos disbursement date para ma filter na dayun kung sino yung
371 bibigyan.

372 **SIR ROA:** Sa disbursement records btw hindi nyo ibibigay muna lahat guys like ang dapat btw
373 naa sa table btw didto is yung date kasi disbursement list man sya dba para syang payroll dba so
374 it should be like disbursement date for this particular school year of this baranggay tsaka pa sya
375 magbibigay nang mga listahan ng mga studyante if I will click on it.

376 **SIR ROA:** “Bat hindi naka pdf mark?”

377 **SIR ROA:** “So how you put signature on that one lugar dayun?”

378 **CAGATAN:** Nan don po sa lydo staff sir yung mag sisign nang ano...

379 **SIR ROA:** “Kanino ba ito?”

380 **ARIAS:** Kay admin sir

381 **SIR ROA:** “So bakit kayo dyan nag aano?”

382 **ARIAS:** Si admin po yung mag crecreate talaga nang disbursement tapos yung pag distribute
383 kasi sir is by brgy...

384 **SIR ROA:** How many staff are there for disbursement?

385 **ARIAS:** Ano sir per brgy sya sir.

386 **SIR ROAS:** “So ito lang is for sugbongcogon?”

387 **ARIAS:** Yes sir

388 **SIR ROA:** Ahh okay

389 **SIR ROA:** “Ano yung renewals guys?”

390 **ARIAS:** Sa renewal sir si lydo staff parin yung mag aano...

391 **SIR ROA:** Sge daw beh..

392 **SIR ROA:** Same lang gihapon nga concern namo ha

393 **ARIAS:** Pag reject sya sir is automatic na ma inactive ang account sa scholar

394 **SIR ROA:** “Automatic agad?”

395 **SIR ROA:** Hindi ko nga alam kung na ano ba ako nareject ba ako o hindi.

396 **SIR ROA:** Guyss I think btw na hindi po pwede na you go directly for rejected btw..

397 **SIR ROA:** “So for example the grade slip is incorrect e reject ditso nila dayun?”

398 **SIR ROA:** So dapat naay something in between btw before that dba approved and reject whats
399 the process in between man dba...

400 **SIR ROA:** “Resubmission lugar? Resubmit?” Ana lugar?”

401 **SIR ROA:** Tan awa gani ninyo gabalik balik gyapon ko gyapon while im doing is that im doing
402 the review process na e click lugar gihapon nako nang sa email gihapon na dapat triggered na
403 sya na pagmahuman nako atu nga process automatic will send a email dayun notice to the
404 scholar na you are not yet rejected but you need to submit the following documents.

405 **SIR GAB:** Okay goodmorning again, so by presented your kuan your system I think kaya naman
406 ninyo to continue or to proceed but unfortunately your not ready to have your SUS pa yung
407 major concern kasi yung application yung na discuss natin kanina

408 **SIR GAB:** Yung kulang so I think sir jeff noted those all things and kaya naman ninyo yung
409 gawin unfortunately hindi pa kayo makaka proceed sa SUS testing but luckily this is not yet the
410 final defense so you have a chance pa but to tell you , you have only have 1 month nalang please
